Dear Child Care Provider,

This letter is in regards to the July 7, 2014 compliance check of your Level A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(2)b During the first year of registration – 12 hours of approved training. At least six hours shall be in a group setting. Two of the twelve hours must be health and safety training. A specific training shall not be used to meet requirements more than one time every five years.

I counted a total of 10 hours of training (CPR and Mandatory Reporting do not count in this number). You are close to finishing the 12 hour requirement for your first year. You can finish this up with an online class which is listed in the packet provided to you.

☐ 110.5(2)b During the second year of registration and each succeeding year, twelve hours of approved training. At least six hours shall be in a group setting. If the provider has documentation of completing the ChildNet, PITC, or Beyond Business Basics series, these hours may be used to fulfill two year's training requirements, not including first aid and mandatory reporter training. A specific training shall not be used to meet requirements more than one time every five years.

You indicated you re signed up for more training sessions. If you need additional training please contact Maria Gonzalez at Child Care Resource and Referral 1-800-722-7619 for further assistance. All 24 hours should be completed by the time your registration renewal is due in January 2015.

☐ 110.5(8) Children's Files

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes.

Please ensure you create files for private pay clients.

☐ 110.8(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "A"

☐ 110.8(2) Has three written references which attest to character and ability to provide child care.

Make sure you keep copies in your personal provider file so they are easily accessible.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

x☐ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.
